

Ecoline Wash Care

Technical Data Sheet
February 2017
Page 1/1

Ecoline

- » *concentrated water additive for all surfaces*
- » *streak-free cleaning*
- » *solvent-free*
- » *very economical*

Product characteristics:

Ecoline Wash Care is a water additive with plant soaps and natural care components.

Cleans gently and thoroughly – free of streaks. Freshens up the surface and makes it dirt repellent.

Foam retarded – also suitable for cleaning machines

Article number:

8101Eco

Fields of application:

For all wooden and cork floors with waxed/oiled surface and all other floors such as PVC, Linoleum, ceramic, tiles... Very well suited for laminate floors.

Also for furniture and other interior wood with waxed/oiled or lacquered surface.

Processing:

Just add to water (due to different cap size 3 caps of 1 liter canister and 1 cap of 10 liters canister is sufficient for 5 liters of water). Wring out cloth and mop as usual. If necessary wipe again with dry cloth.

Note: To remove persistent stains, for occasional freshening up and maintaining of wooden and cork floors, furniture and interior wood we recommend our *Ecoline Wax Care*. Heavily worn floors can also be renovated partially (without visible overlaps) with *Ecoline Hardwax-Oil*.

Coverage:

3 caps for 5 liters of water (1 cap approx. 10 ml)

Storage:

In closed container unlimited.

The liquid product is not susceptible to frost.

Physical properties:

Density: 1.00 g/cm³

Odour: faint /mild, odourless when dry

Flashpoint: not flammable

Safety Instructions – First Aid:

Keep out of the reach of children. Do not fill into food, beverage or other containers used for foodstuffs.
